**RE: Michigan Natural Resources Spark Grant Application  
Letter of Support – City of Kingsford – Menominee River Recreation Park  
Renovations**

Dear Mr. Stelmaszek:

This letter is in support of the City of Kingsford's proposed Menominee River Recreation Park Renovations. The Menominee River Park has long been a popular park for sports, river access, picnicking, and socializing with friends and family. The facilities at the park are a great location for our residents to get outdoors and enjoy a few hours outside with family and friends. The proposed improvements, including making the boat launch safer, new park equipment, and a fishing pier will allow us all to enjoy the wonderful natural environment. On behalf of \_\_\_\_\_, we offer our letter of support for this project.

Sincerely,
