2023 Holiday Tree Lighting Event

THANK YOU!!!

Another year has passed, our 100th year as the City of Kingsford. We want to thank you all for being a part of our tight knit community and celebrating with us.

Merry Christmas & Happy New Year!

DEPT. OF PUBLIC WORKS

Heights Water Project

In Spring 2024, the city's 8 million dollar water main & service line replacement project will start. The [map](#) shows the streets that will be under construction for water main replacements. The project will increase the water pressure, fire flow for hydrants and overall water quality of the system. Service line replacements will remove any lead connections that may exist with older galvanized lines from the system. The city will be sending out letters and permits explaining the project to affected residents before the end of the year.

M-95/Carpenter Reconstruction Project

Once school is out of session MDOT is planning a total road and utility reconstruction of M-95/Carpenter Ave. from Woodward Ave. to Hamilton Ave. MDOT will be constructing new storm sewer, new curbing, sidewalks and roadway and the City of Kingsford will be replacing the water mains, service lines and sanitary sewer for the two blocks. There will be a detour planned for the project and more details available in the spring.

East Breitung Avenue Reconstruction Project

Starting in Spring, East Breitung Avenue from M-95/Carpenter Ave. to Woodbine St. will undergo a full reconstruction of the road (cont...)

(continued...) sidewalks, curbing and new storm sewer for two blocks. Water services will be replaced and re-tapped off an existing 12" water main along with new fire hydrants. There will be a detour route for this project and the city will have more information come early spring.

KINGSFORD PUBLIC SAFETY

Four New Public Safety Officers

The city sponsored three (3) officers in the police academy this summer. We applied and received a grant in the amount of \$62,000 covering the full amount of the sponsorship. In addition we hired a fourth officer that graduated from the academy.

All four (4) new officers are starting their fire training to better serve our community!

Please give a warm welcome to PSO Andrew Mann, PSO Rebecca Person, PSO Trevor Povolo & PSO Tobiahas Wheeler!

Attention Snow Birds!

Do you leave for the winter months? Please make sure you do the following:

Call the Utility Clerk at 906-774-3526x1 to let them know to shut the water off at the street and then have your pipes winterized. The total cost to turn your water off and on is \$30 but can save you thousands in repairs if your pipes burst.

If you would like to keep your water on, make sure that you have someone check on your home periodically while you are away!
